- Minimum unit pricing
  - ![Icon](image)

- Volume discount ban
  - ![Icon](image)

Note: N/A indicates data not available.

The WHO "Best Buys" to reduce the harmful use of alcohol

1. Increase excise taxes on alcoholic beverages
2. Enact and enforce bans or comprehensive restrictions on exposure to alcohol advertising (across multiple types of media)
3. Enact and enforce restrictions on the physical availability of retailed alcohol (via reduced hours of sale)
